

# Block A

9:00-9:55 A.M.

Please select the classes for each child in their own age group. If you have a need to move your child to another age group you must get Board permission previous to registration.

Thank you!

<b>Class #</b>	<b>Age</b>	<b>Class Name</b>	<b>Fee</b>	<b>Teacher</b>
<b>A00</b>	<b>0- 12 months</b>	<b>Infants</b>	<b>\$2</b>	
Your baby will be lovingly cared for by other Monday School parents. Please label all bags, cups, bottles etc. with your child's name.				
<b>A01</b>	<b>12-24 months</b>	<b>Toddlers</b>	<b>\$2</b>	<b>Ronda Williams</b>
Your toddler will be lovingly cared for by other Monday School parents. Please label all bags, cups, bottles etc. with your child's name.				
<b>A02</b>	<b>2 &amp; 3 yr. olds Group 1</b>	<b>Fun with Numbers</b> Max # of students:10	<b>\$2</b>	<b>Leanne Shank</b>
We will read number stories and play with numbers. There will also be plenty of time for free play. Please label all bags, cups, bottles etc. with your child's name.				
<b>A03</b>	<b>2 &amp; 3 yr. olds Group 2</b>	<b>Fun with Numbers</b> Max # of students:10	<b>\$2</b>	<b>Connie Kennon</b>
We will read number stories and play with numbers. There will also be plenty of time for free play. Please label all bags, cups, bottles etc. with your child's name.				

<b>A04</b>	<b>4&amp;5 yr. olds Group 1</b>	<b>Playground Fun</b> Max # of students:10	<b>\$2</b>	<b>Michele Quartemont</b>
We will allow the kids to play and run off extra energy outside on the playground. In case of bad weather we will play inside games.				
<b>A05</b>	<b>4&amp;5 yr. olds Group 2</b>	<b>Things that Go!</b> Max # of students:10	<b>\$5</b>	<b>Amy Scroggs</b>
Planes, Trains, Automobiles, and more! We will explore "things that go" through story, play and crafts! Note: Used items from home will be requested (i.e. empty food cans, paper towel/toilet tissue rolls, etc.).				
<b>A06</b>	<b>6-8yr olds</b>	<b>Writing Activities</b> Max # of students:10	<b>\$3</b>	<b>Melissa Gatch</b>
This class will use books as springboards for learning different forms of real-life writing. We will practice writing letters, invitations, thank you notes and more. A fun way to connect reading and writing!				
<b>A07</b>	<b>6-8yr olds</b>	<b>Creative Arts</b> Max # of students:10	<b>\$9</b>	<b>Denise Melomo Sandra West</b>
A fun, hands-on class in which we will be doing a variety of art media such as paper-making, cut (torn) paper design, mosaic or relief plaque for wall or garden, seed picture of a picture that they like, watercolor fun, paper mache animals, and flower pot critters made out of clay. Possibly some silk screening but will have to see if the children could handle it. Children will be asked at times to bring items from home like leftover paper (tissue, card board, etc.-nothing heavy), dry beans or seeds.				
<b>A08</b>	<b>6-8yr olds</b>	<b>Co-Ed P.E.</b> Max # of students:12	<b>\$5</b>	<b>William Avants Taryn Avants</b>
"We will be participating in the President's Challenge Physical Activity, Nutrition & Fitness Awards Program. At the end of the semester the students will be presented with a certificate, ribbon, and award magnet. If time permits we will also include some playground games such as soccer, football, and baseball."				
<b>A09</b>	<b>6-8yr olds</b>	<b>Etiquette and Manners for Girls</b> Max # of students:12	<b>\$5</b>	<b>Valerie Hasic Jennifer Byrd</b>
We will learn how to behave respectfully and graciously in different social situations, (i.e. answering the telephone, meeting new people, tea parties), through games and role play. We will not only focus on outward behavior, but will learn the importance of developing and nurturing a gracious heart.				

<b>A10</b>	<b>9-18</b>	<b>Beginner Leatherwork Part II</b> Max # of students:12	<b>\$20</b>	<b>Bennie Murdock Samantha Young</b>
Crafting of leather goods such belts, buckles, and wall hanging pictures. *Please note that there may be sharp objects in class. Students will be closely supervised by adults should your child need to use this object. All dyes are permanent and do not come out of clothing.				
<b>A11</b>	<b>9-11</b>	<b>Fun with Food Science</b> Max # of students:12	<b>\$12</b>	<b>Emily Baker</b>
I will teach about chemistry and food groups, vitamins, minerals, relationship between energy and food and healthy eating. Each week we will have a fun experiment that will reinforce the fun lesson				
<b>A12</b>	<b>9-11</b>	<b>Bible Skill</b> Max # of students:12	<b>\$2</b>	<b>Shantel Haag</b>
We will learn Bible verses, books of the Bible, and where to look up some key passages in the Bible.				
<b>A13</b>	<b>9-11</b>	<b>Parts of Speech with Mad Libs</b> Max # of students:12	<b>\$4</b>	<b>Jerie Bowie</b>
Learning how to identify parts of speech (noun, adjectives, etc.) through the fun of Mad Libs. Homework: <1hr/wk.				
<b>A14</b>	<b>12-14</b>	<b>Geology (Earth Science)</b> Max # of students:12	<b>\$2</b>	<b>Harry Pratt</b>
We will be studying the geology of Louisiana and understanding how earth science applies to it.				
<b>A15</b>	<b>12-14</b>	<b>Algebra Prep. &amp; Concepts</b> Max # of students:12	<b>\$4</b>	<b>Sherryl Blood</b>
Pre-Algebra & Algebra skills and concepts introduced and reinforced. Equations, problem solving, ratios, proportions, linear equations (if progress allows etc.) Materials needed: notebook, 3-ring binder (a small inexpensive poly one will do), non-graphing calculator, pencil. Homework: <1hr/wk.				
<b>A16</b>	<b>12-14</b>	<b>Hanging with Shakespeare</b> Max # of students:12	<b>\$8</b>	<b>Lisa Griffing</b>
Get to know who Shakespeare is by reading and then performing one of his plays.				

<b>A17</b>	<b>13-18</b>	<b>Business Basics for Teens</b> Max # of students:9	<b>\$5</b>	<b>Quincy Watson</b>
Teaching teens the basics of starting one's own business. We will discuss strategies, start-up costs & target audiences amongst other things.				
<b>A18</b>	<b>13-18</b>	<b>For Young Women Only</b> Max # of students:10	<b>\$5</b>	<b>Ann Jobe</b> <b>Karen Murphy</b>
This class is a discussion of topics relational to teenage girls. We will cover body types, healthy eating and body image, hormones at different times of life, emotional and hormonal differences between boys and girls, and much more. This is not a sex ed. class, and any questions pertaining to these topics will be referred to parents of students.				
<b>A19</b>	<b>13-18</b>	<b>Worship choir II</b> Min # of students: 10 Max # of students:25	<b>\$8</b>	<b>Leah Guillory</b> <b>Barbara Elkins</b>
Come enjoy singing your favorite worship songs. Homework: <1hr/wk.				
<b>A20</b>	<b>13-18</b>	<b>Photography Class</b> Max # of students:10	<b>\$32</b>	<b>Marian Dupre</b>
This class is basically for previous Photography Class students. Those students get priority and then if room available in class other students must have prior photography experience. Digital camera and access to a Facebook (to upload weekly photos) is required. Will cover technical aspects of photography i.e., shutter speed and aperture. Weekly photo competition with specific themes. Fee covers book, "Understanding Exposure" by Bryan Peterson, weekly photo prizes, and field trip. Homework: <1hr/wk.				

# Block B

10:00-10:55 A.M.

Please select the classes for each child in their own age group. If you have a need to move your child to another age group you must get Board permission previous to registration.

Thank you!

<b>Class #</b>	<b>Age</b>	<b>Class Name</b>	<b>Fee</b>	<b>Teacher</b>
<b>B00</b>	<b>0- 12 months</b>	<b>Infants</b>	<b>\$2</b>	
Your baby will be lovingly cared for by other Monday School parents. Please label all bags, cups, bottles etc. with your child's name.				
<b>B01</b>	<b>12-24 months</b>	<b>Toddlers</b>	<b>\$2</b>	<b>Lucrecia Mouser</b>
Your toddler will be lovingly cared for by other Monday School parents. Please label all bags, cups, bottles etc. with your child's name.				
<b>B02</b>	<b>2 &amp; 3 yr. olds Group 1</b>	<b>Playground Fun</b> Max # of students:10	<b>\$2</b>	<b>Bristol Reynolds</b>
Children will have a provided snack for the first half of the class and then enjoy free outside playtime with friends as they burn off energy and engage in group and individual play.				
<b>B03</b>	<b>2 &amp; 3 yr. olds Group 2</b>	<b>Playground Fun</b> Max # of students:10	<b>\$2</b>	<b>Connie Kennon</b>
Children will enjoy free outside playtime with friends as they burn off energy and engage in group and individual play for the first half of the class. They will then return indoors for a provided snack				

<b>B04</b>	<b>4&amp;5 yr. olds Group 1</b>	<b>My Friend, Curious George</b> Max # of students:10	<b>\$4</b>	<b>Shannon Trisler</b>
Children will laugh and learn as they are read stories about the very curious monkey, George, and his friend, the Man in the Yellow Hat. Crafts and games will help reinforce the important lessons that George has to share each week.				
<b>B05</b>	<b>4&amp;5 yr. olds Group 2</b>	<b>Early Espanola</b> Max # of students:10	<b>\$5</b>	<b>Jennifer Byrd Valerie Hasic</b>
Spanish for Kids! We will begin to establish a (Latin American) Spanish vocabulary using song, video and picture worksheets. Fun discussions about Central/South American culture and the Biblical basis for reaching the nations for Christ will be included. Homework: <1hr/wk.				
<b>B06</b>	<b>6-8yr olds</b>	<b>Travel Guide to the Fruits of the Spirit</b> Max # of students:10	<b>\$7</b>	<b>Sharon Finch Laura Sawtelle</b>
Exploring the fruits of the spirit through Bible stories, scripture memory and fun. Homework: <1hr/wk.				
<b>B07</b>	<b>6-8yr olds</b>	<b>Focusing Skills</b> Max # of students:12	<b>\$4</b>	<b>Lynn Gatch</b>
Using Visual Perception worksheets and games (incl. blindfolding), students will practice utilizing visual and auditory skills.				
<b>B08</b>	<b>6-8yr olds</b>	<b>Fun with Food Science</b> Max # of students:12	<b>\$12</b>	<b>Emily Baker</b>
We will learn about chemistry and food groups, vitamins, minerals, relationship between energy and food and healthy eating. Each week we will have a fun experiment that will reinforce the fun lesson.				
<b>B09</b>	<b>6-8yr olds</b>	<b>More Story Taleing</b> Max # of students:12	<b>\$6</b>	<b>Lillie Tullos</b>
More active story telling from an experienced story teller. Will include music and crafts in conjunction with the stories.				

<b>B10</b>	<b>9-11</b>	<b>Game Time</b> Max # of students:12	<b>\$2</b>	<b>Beth Smith</b>
Join us for an hour of board games where we learn important social skills, such as communicating verbally, sharing, waiting, taking turns, and enjoying interaction with others. Board games foster the ability to focus, and lengthen your child's attention span by encouraging the completion of an exciting, enjoyable game.				
<b>B11</b>	<b>9-11</b>	<b>Legos</b> Max # of students:12	<b>\$2</b>	<b>Sherryl Blood</b>
This is a fun class where children will be creating Lego models. Legos stimulate creativity and build math and pattern skills. Each child will need a kit consisting of a <b>labeled</b> , covered tub of standard Legos and a <b>labeled</b> , gallon Ziploc bag with any specialty pieces they may have. Students will work at individual "stations" to complete each project and are responsible to keep up with their own Legos during class time. I will bring each kit to and from class each week. Specialty piece examples are: hinges, wheels, wedges, rod connectors, discs, brackets (these come in L, T, H, U shapes), windshields, etc. The more types of specialty pieces they bring, the more options they will have to improvise during construction.				
<b>B12</b>	<b>9-11</b>	<b>Boy's PE</b> Max # of students:20	<b>\$5</b>	<b>Annette Barnes</b>
Getting exercise and burning energy through active games and team sports.				
<b>B13</b>	<b>9-11</b>	<b>Around the World in 80 Days</b> Max # of students:12	<b>\$2</b>	<b>Carolyn Lucas</b>
Travel with Phileas Fogg and learn about geography and world cultures described in Jules Verne's exciting novel, "Around the World in 80 Days". Students will explore England, France, Italy, Greece, Egypt, India, Singapore, China, Japan, and Ireland. We will learn basic words, how each culture lives, and learn a game or activity. On the last week, students will be asked to bring a food from each country for the class to sample. Homework: <1hr/wk				
<b>B14</b>	<b>10-14</b>	<b>Ballet Level 2</b> Max # of students:12	<b>\$17</b>	<b>Erica Norris</b>
A level 2 ballet class. Appropriate clothing required. If students choose to wear leotards, they need to do so under their clothes as they will not be able to leave room to change. Homework: 1-2hr/wk.				

<b>B15</b>	<b>12-14</b>	<b>History and Science in Action</b> Max # of students:10	<b>\$12</b>	<b>Wesley Draper</b>
This class will explore catapults, mentos magic, secret inks, code breaking, crystal making, battery creating, as well as, many other scientific and historical facts put into action.				
<b>B16</b>	<b>12-14</b>	<b>World Geography</b> Max # of students:10	<b>\$8</b>	<b>Keri Sylvester</b>
In this class, we will learn to locate and identify the continents, oceans and many countries. We will learn the major rivers and mountain ranges of the world, as well as other features, such as deserts, rain forests, and seas. By the end of the course, students will be able to draw from memory a map of the world showing the features mentioned above. Homework: 1-2hr/wk.				
<b>B17</b>	<b>12-14</b>	<b>Louisiana History</b> Max # of students:15	<b>\$2</b>	<b>Christine Baker</b>
This class will include brief study of past history of Louisiana along with current information about the state. Students will create a Louisiana State notebook/folder which will include information about the past and current Louisiana. Handouts, map activities and research topics will be given during the course. A short exam will be administered at the end of the semester. Homework: <1hr/wk.				
<b>B18</b>	<b>13-18</b>	<b>Part 2 of Introductory Logic</b> Max # of students:15	<b>\$5</b>	<b>Neysha Elliott</b> <b>Amy Scroggs</b>
"Continuation of Previous Semester's Class "Introductory Logic" (Nance/Wilson) DVD Course. Only students who took the previous fall semester class are eligible to register for this class."				
<b>B19</b>	<b>13-18</b>	<b>Hollywood Worldviews</b> Max # of students:12	<b>\$2</b>	<b>William Avants</b> <b>Taryn Avants</b>
"This course aims to teach students how to watch movies (and really any story, book, TV show, play, etc.). It is intended to cover the basics of worldviews, story-telling, and what things to watch for. Most importantly, the thinking skills to use while watching a movie or reading a story. The student needs to have the ability to watch the chosen movie each week (via Netflix, rental, etc.). Here is a list of potential movies to be watched and discussed in class using their newly learned skills. Master and Commander: The Far Side of the World, Mary Poppins, Amazing Grace, Pride and Prejudice, Narnia: The Lion, The Witch and the Wardrobe, The Last Airbender, Pinocchio, Tangled, True Grit, and The Secrets of Jonathan Sperry." Homework: 2-4hr/wk.				
<b>B20</b>	<b>13-18</b>	<b>Study Hall with Tutoring</b> Max # of students:15	<b>\$2</b>	<b>Lisa Boydston</b> <b>Kim Coodie</b>
Students bring schoolwork to work on and can receive help if needed.				
<b>B21</b>	<b>13-18</b>	<b>Fencing</b> Max # of students:15 Must have fencing starter kit.	<b>\$2</b>	<b>Harry Pratt</b>

# Block C

(Last 5 min are used for clean-up)

**11:00-12:00 P.M.**

**Please select the classes for each child in their own age group. If you have a need to move your child to another age group you must get Board permission previous to registration.**

**Thank you!**

<b>Class #</b>	<b>Age</b>	<b>Class Name</b>	<b>Fee</b>	<b>Teacher</b>
<b>C00</b>	<b>0- 12 months</b>	<b>Infants</b>	<b>\$2</b>	
Your baby will be lovingly cared for by other Monday School parents. Please label all bags, cups, bottles etc. with your child's name.
