## **A04, B04, C04      4 year olds**    \$20.00 total 3 blocks

**Laura Ackerman**

[alarningadventure@hotmail.com](mailto:alarningadventure@hotmail.com)

4 Year olds will be in the same classroom for A and C blocks but will be taken to the Fellowship Hall for PE and snack with the 5 & 6 year olds during B block.

## **Kindergarten (5/6 yr olds)**      \$20.00 total 3 blocks

5 year olds (and young 6's) will be in the same classroom for A & C and will be taken to the Fellowship Hall for PE and snack with the 4 year olds during B block.

**A05 A block: Carmen Parish** [parishcc@gmail.com](mailto:parishcc@gmail.com)

**Exploring God's World** we will be exploring a new topic each week, its beginning letter, singing a Bible verse with that letter, studying geography and reading fun literature pertaining to each subject.

**B05 B block: PE Fun!**

**C05 C block: Kimberly Hoy** [kimberly.hoy@coeah.com](mailto:kimberly.hoy@coeah.com)

We will look at great artists and use foundational art skills (drawing, painting, etc.).

# A BLOCK CLASSES

---

## **A10 Meet the Masters**

### **Beth Burrignt**

Come meet a few artistic masters as we learn about classic art styles and artists through the ages! Each week we will meet a master artist, learn about his/her life, and explore their special technique through hands-on projects. Each child will take home a keepsake folder of completed art projects at the end of the semester.

Ages 6-8            \$9            Homework: None

## **A11 In the Beginning**

### **Heather Clark**

Each week we will focus on a day of creation, celebrating all our God did in creating our world. A lap book will be made and a fun song taught and presented at Open House.

Ages 6-8            \$7            Homework: None

## **A12 Team Building & Initiative Games**

### **Christy Myhre**

This is a fun and active games based class where students get the opportunity to grow team building and problem solving skills all while playing games!!! Have you ever transported toxic waste from one island to another (hula hoop to hula hoop) using a bucket and bungee cords? Or blown ping pong balls through an obstacle course??? If you are up for a new adventure every week, then this class is for you. Warning, the faint of heart need not apply.

Ages 6-9            \$12            Homework: None

## **A20 The American Revolution**

### **Erika Sagert**

The American Revolution Class is going to be an exciting travel adventure back to the beginning of the United States of America. Topics include: Causes of the War, Famous Patriots, A Soldier's Life, Battles, Spies and Traitors and the Birth of a Nation (including our founding documents). We will use various types of learning such as, DVDs, war re-enactments, discussion and projects. At the end of the session, each student will have a notebook of all projects completed

Ages 9-11            \$11            Homework: 1-2hr/wk

First Class Clark County West

Winter/Spring 2012 Class Catalog

## **A21 Choir - (Worship Choir)**

### **Wendy Olson**

In this semester's choir class, we'll sing a mix of basic choir songs and some popular worship songs; learning some basic harmonies too! Come ready to learn and sing!!

Ages 9-11            \$6            Homework: <1hr/wk

## **A22 Private Eye for ages 9-12**

### **Jessica Berglin**

Be a Private Eye...spend week after week examining items at a magnified power. Learn to look closely and carefully - paying attention to details. This class will be a combination of science, art and language arts. Students will begin learning by analogy. Marvel at the details in God's Creation. Students will get to take home their jeweler's loupe.

Ages 9-12            \$16            Homework: None

## **A23 Recorder**

### **Katrina Peters**

We will be learning some basics of the recorder, and simple music theory. You will need a recorder. (Not from the dollar stores. I do have a couple recorders to loan.) There will be some homework expected. Email me with any questions. [katrina\\_peters@hotmail.com](mailto:katrina_peters@hotmail.com)

Ages 9-12            \$9            Homework: 1-2hr/wk

## **A24 Oil Pastels**

### **Carolyn Benjamin**

We will create beautiful and vivid oil pastel compositions on black paper. Instruction on oil pastel techniques, as well as color theory and compositional design will be included. Class materials will be purchased by the instructor.

Ages 9-14            \$24            Homework: <1hr/wk

Print Date: 02/01/2012

## **A25 Board Game Madness!**

### **To be announced**

What do a giant panda and a board game have in common? They are both on the verge of extinction. Video games and television have sunk our Battleships!! But we are not going to let that happen! Bring your favorite board game, or card game (please no electronics) and let's have FUN!! A board game is a terrible thing to waste.

Ages 12+      \$5      Homework: None

## **A30 Filmmaking (2 blocks)**

### **John McAllister**

In this 2-hour class you will learn basic and advanced techniques and tricks while you discover the art of filmmaking as you make your own film from writing the script to editing.

Ages 12+      \$4      Homework: None

## **A32 Lies Young Women Believe**

### **Cheri Chavers**

Based on the book and 10 week study by Nancy DeMoss & From Beauty to Boys to Love...The Truth will set you free. If you've ever believed "I have to perform to be loved," or "Beautiful girls are worth more," then you've been lied to. This study will help you identify and overcome these lies with the truth from God's Word so you can be set free!

Ages 12+      \$19      Homework: 1-2hr/wk

## **A33 Fun with Physics**

### **Armida Nunez-Finley**

Fun with Physics is a hands-on course that will introduce middle school students to essential physics concepts. We will explore light, sound, kinetics, electricity, magnetism, thermodynamics, basic machines, gravity, types of energy, etc. A short, focused lesson will be followed by a demonstration and opportunities for individual and team experiments. Emphasis will be placed on the study of science as a way of understanding God's creation. We will also aim to apply this knowledge to our daily lives. Materials needed- 3 ring binder, pencil, and occasionally, household items as instructed.

Ages 12+      \$9      Homework: <1hr/wk

## **A35 A block Teen Assistant**

### **Ann Davis**

Your teen can choose to serve during this block in a younger aged class. There are limited opportunities.

Ages 12+      \$4

## **A40 Shakespeare Part 2**

### **Babs Gere**

\*Students need to have read "Much Ado About Nothing" to participate in this class. This is the second part of the Shakespeare Class. We will be focusing on the Globe Theater, picking parts to perform for the Spring Open House and rehearsing those parts.

Ages 14+      \$4      Homework: <1hr/wk

# B BLOCK CLASSES

---

## **B10 Medium Well**

### **Becky Stoolfire**

Hands on art in various mediums, including clay, paint, chalk, etc. Kids have the opportunity to freely create, with the creating being the important component, rather than the end result.

Ages 6-8          \$19          Homework: None

## **B11 Manners - American Girl Style**

### **Michelle Skundrick**

Get ready to role play. This manners class will prepare you to deal with some of life's tricky situations, with topics ranging from how to introduce someone when you have forgotten their name to what to do if you have spinach stuck in your teeth. There will be games, movies, handouts, and even a tea party to put all that you have learned into action. Get ready to master the ropes of social etiquette in the classroom so you can shine with grace in any situation.

Ages 6-8          \$13          Homework: None

## **B12 Private Eye**

### **Pat Zavadlov**

Be a Private Eye...spend week after week examining items at a magnified power. Learn to look closely and carefully - paying attention to details. This class will be a combination of science, art and language arts. Students will begin learning by analogy. Marvel at the details in God's Creation. Students will get to take home their jeweler's loupe.

Ages 6-8          \$16          Homework: None

## **B13 Spanish for 6-9 year olds**

### **Jamie Nalos**

Hola Amigos! Come join our class and learn the Spanish alphabet and basic Spanish words & phrases! We will also explore the Mexican culture and Spanish language through games, crafts, & songs! The last day we will celebrate with the breaking of a pinata. For kids ages 6-9 (and helpful if the student is able to read).

Ages 6-9          \$12          Homework: None

First Class Clark County West

Winter/Spring 2012 Class Catalog

## **B15 Kitchen Basics**

### **Amity Candee**

Learn how to be an independent helper in your family kitchen. How to use your tools, plan and prepare something simple. Kitchen foundational basic to build upon.

Ages 8-11          \$12          Homework: None

## **B20 What's in the Bible (8-11)**

### **Joanna Harvey**

Buck Denver and a whole cast of silly characters want to know: What's in the Bible? We will watch these fun and informative DVDs from the creators of Veggie Tales. Be prepared to do crafts and join in our lively discussions. You will go home humming the riverboat song about Deuteronomy or the folk song about Judges. Funny, entertaining, and valuable for all ages.

Ages 8-11          \$14          Homework: None

## **B22 Cross Stitch/Friendship Bracelets**

### **Melissa Rush**

This class is to have time to learn and practice both cross-stitching and friendship bracelets. We will be working on a simple cross-stitch project and friendship bracelets during class time. I will be requiring students to leave their projects with me every week as I learned that works better for everyone. It is fun for the students to be able to work together on a project and get to know their fellow class-mates at the same time. (ages 8-12 are ok for this class)

Ages 8-11          \$7          Homework: None

## **B23 Creative Writing**

### **Jean Hall**

Writing can be fun! Play with words and practice putting your ideas in writing with games and exercises

Ages 9-11          \$14          Homework: None

Print Date: 02/01/2012

## **B24 Spanish Basics**

**Danielle Snowden**

I will be teaching the basics of Spanish: alphabet, numbers, vocabulary to include colors, animals, body and possibly more if there is time. Conversational phrases as well.

Ages 9-12      \$12      Homework: <1hr/wk

## **B25 Stitching Family Heirloom**

**Catalina Honsowetz**

Learn how to stitch and sew special decorations that become family heirlooms!

Ages 9-14      \$24      Homework: <1hr/wk

## **B26 Great Inspirations**

**Anna O'Keefe**

We will explore the life of J.R.R. Tolkien and the many things that inspired him in his writings, and could inspire us in our own lives. There will be some reading and varied projects - including an essay writing.

Ages 12+      \$9      Homework: 1-2hr/wk

## **B27 Calligraphy**

**Ruth Welsh**

A beginning course of form and function of lettering.

Ages 12-14      \$16      Homework: None

## **B28 Board Game Madness!**

**April Turner**

What do a giant panda and a board game have in common? They are both on the verge of extinction. Video games and television have sunk our Battleships!! But we are not going to let that happen! Bring your favorite board game, or card game (please no electronics) and let's have FUN!! A board game is a terrible thing to waste.

Ages 9+      \$5      Homework: None

## **B30 Filmmaking**

**John McAllister**

In this 2-hour class you will learn basic and advanced techniques and tricks while you discover the art of filmmaking as you make your own film from writing the script to editing.

Ages 12+      \$4      Homework: None

## **B31 Worship Arts (2 blocks long)**

**Andy Bryant**

Topics: worship theology, working in band situation, sound system setup, etc. Students need basic instrumental and/or singing skills. We'll provide tips on playing certain styles. Students are included in rotation for Friday School chapel worship team

Ages 12+      \$4      Homework: 1-2hr/wk

## **B35 B block Teen Assistant**

**Ann Davis**

Ages 12+      \$4      Homework: None

## **B40 The Traveler's Gift**

**Tracy Gregory & Christy Myhre**

The Traveler's Gift offers a modern day parable of one man's choices—and the attitudes that make the difference between success and failure. This class will cover a little bit of: history, language arts, small group discussion, creative writing and more. This class is academic in nature and the study/teaching style will be consistent with requirements for High School Language Arts ½ credit Homework time depends on reading speed. Approx. 30 min per day x 4 day school week.

Ages 14+      \$19      Homework: 1-2hr/wk

# C BLOCK CLASSES

---

## **C10 Butterflies, Bugs and Botany**

**Carolyn Pickering**

We will explore science concepts and do related crafts. The object of this class is to identify insect anatomy, butterfly behavior and the environment in which they live. Hopefully, we can have a trip to the zoo to see the butterfly exhibit.

Ages 6-8      \$12      Homework: None

## **C11 Lapbooking Washington History**

**Cheri Chavers**

We'll be taking a look at the history of this great state we call home,. The research each student will be doing will be organized and presented in a lapbook. Reading is not required for this class and the only writing will be copy work.

Ages 6-8      \$9      Homework: None

## **C12 What's in the Bible**

**Joanna Harvey**

Buck Denver and a whole cast of silly characters want to know: What's in the Bible? We will watch these fun and informative DVDs from the creators of Veggie Tales. Be prepared to do crafts and join in our lively discussions. You will go home humming the riverboat song about Deuteronomy or the folk song about Judges. Funny, entertaining, and valuable for all ages.

Ages 6-10      \$14      Homework: None

## **C13 Grossology**

**Jessica Cole & Rondi Dahlberg**

Come join us for the science of really gross things. There will be lots of hands on learning guaranteed to be strange and disgusting

Ages 6-9      \$12      Homework: None

## **C20 Lewis & Clark's Adventure!**

**Laurie Ewert**

(ages 8-12 are ok for this class) What would you do to prepare to go somewhere that no one has any information about? We are going to find out what Capt Lewis and Capt Clark did in order to cross this country when no one knew what to expect. We will gather items from our journey to remind us of what we learn, watch a couple of videos, make some fun crafts, and even meet the only member of the Corps of Discovery who wasn't a person at all ! I will also be obtaining a traveling trunk from Fort Clatsop so we can touch some of the items they used on this journey.

Ages 8-11      \$14      Homework: None

## **C21 Adventures in Literature II**

**Genia Melton**

Appreciate the wonders great literature offers through language arts mini lessons, unique art activities, math and science spin-offs, and more. We will use Caldecott Award winners as a springboard to Adventures in Literature! \*\* New books for this session\*\*

Ages 9-11      \$14      Homework: None

## **C23 Drama - one-act play production**

**Jaynie Roberts**

Review the basics of acting techniques and stage movement whilst working on the one-act play Straw into Gold. Students are encouraged to memorize their lines, but accommodation will be made for those who prefer a script in hand. A fun time will be had by all as we put together a performance for families and friends.

Ages 9 +      \$44      Homework: <1hr/wk

## **C24 Human Body 2**

### **Holly Frakes**

Finishing up the study of the Human Body. Format: lecture, experiments and dissections.

Ages 9-14      \$19      Homework: <1hr/wk

## **C25 Papercraft!**

### **April Turner**

Papercraft! - Crayon Batik, Mosaics, collages, newsprint basket, Suminagashi (Japanese paper marbling), papermaking, and more. Each week will be a fun, new craft using.....PAPER!! Even a little history on some of the different projects we make!!

Ages 9 + \$12      Homework: None

## **C30 America's Godly Heritage**

### **Keith Mathison**

Topics: America's Godly Heritage, the Influence of the Bible in America, Remarkable Young Americans, The Duty of a Free Christian Citizen, Reports on books influenced by the Bible that shaped America. Q&A discussion of 30 min. DVD presentation from the American Heritage Series by David Barton

Ages 12+      \$4      Homework: <1hr/wk

## **C31 Worship Arts**

### **Andy Bryant**

Topics: worship theology, working in band situation, sound system setup, etc. Students need basic instrumental and/or singing skills. We'll provide tips on playing certain styles. Students are included in rotation for Friday School chapel worship team

Ages 12+      \$4      Homework: 1-2hr/wk

## **C32 Kitchen Survival**

### **Amity Candee**

COOKING? Yep, you can. Join me in the kitchen and we will learn how to survive in there. The future IS coming - You WILL need to know how to feed yourself

Ages 12+      \$26      Homework: None

## **C33 Printmaking**

### **Angel Achterbosch**

Have you ever wanted to illustrate a book? Here's your chance! Each week you will create a monoprint in class and by the end of the session you will have your very own illustrated book. How cool is that? The only prerequisite is that you love art!

Ages 12+      \$24      Homework: None

## **C34 Bible - Memlok**

### **Katrina Peters**

We will use the MemLok program to memorize the books of the Bible and a few verses. MemLok uses multiple senses to help you retain what you memorize. You will receive business card size visuals to practice with at home, and to keep once the session is over. You will be required to bring your work back & forth to class each week. Email me with questions

katrina\_peters@hotmail.com

Ages 12+      \$6      Homework: None

## **C35 C block Teen Assistant**

### **Ann Davis**

Ages 12+      \$4      Homework: None
